MARCH 18TH 2021 - APRIL 8TH 2021

No início de 2020, a Covid-19 (SARS-Cov-2) se propagou e a medida adotada para evitar contágio foi de ficar em casa.

Durante os meses de isolamento, era muito grande o desejo de fuga e de querer voar para longe. Portanto, nesta coleção, quis criar a ilusão de distanciamento retratando 8 janelas de avião de viagens que fiz no passado e de lugares que gostaria de partir ou de chegar.

In early 2020, the Covid-19 (SARS-Cov-2) began to spread, forcing many people to stay inside their homes.

During the months locked inside, the desire to escape, and fly away arose very strongly. For this Collection I created 8 one of a kind mosaics to create a flying home, which symbolizes the time that we remained suspended in the air, locked inside, without having a definite destination.
